Absent: Kat, Kim, Catherine

Decisions/To Do

NAME CHANGE

We agreed to change the name to UUCM Advisory Committee from CMAC, to promote the brand name of "UUCM". No more "CMAC", but UUCM Advisory Committee or in full UU Campus Ministry Advisory Committee. We will change our email list from CMAC-L to UUCM-Advisory@uua.org.

ANCHOR CONGREGATIONS

We agreed to the application and information as polished by Kim and Michael, looks great! We'll do some intentional outreach to make sure we have some congregations to honor. Hope to have half a dozen. Wanted to be clear that this is an application process, congregations are asked to "certify" like they do for Welcoming Congregations, and they have to recertify every 5 years. See the word document from Michael Tino (4 pages).

GENERAL ASSEMBLY

UUCM Reception - Vanessa is point and will handle the program in conjunction with other UUCM Advisory Committee members (Kim and Alison for sure). Program is generally 15-20 minutes and has involved short worship, introductions, announcements, appreciations. 6:30 PM on Friday evening, before the Service of the Living Tradition. Note to Michael:
do we have funding for any food here?

UUCM Banner - Joseph will search for UUCM Banner Kat made last year and recruit students to walk with it in the banner parade.

Campus Ministry Outreach Workshop - Monday 8 AM being led by Kim and Michael

Anchor Congregation Award Reception - Monday 5:30 PM being led by Joseph with help from UUCM Advisory Committee members (Kim for sure)

Campus Ministry Alumni Registration - Erik Kesting will be coordinating this and recruiting young adults to ask adults and elders for their information, Michael has worked out to have this information stored in the UUA Database.

ETHICS DOCUMENT

Michael brought the scope statement asking C*UUYAN to convene an Ethics Working Group and they have allocated \$2000 to support this. Michael will be convening the meeting in June 2004, let him know if you are interested in participating (mtino@uua.org)

BUILDING THE GREEN

Joseph brought the "building the green" conversation to the Regional Organizing Consultants in the form of proposing ConCentric become Continental every other year with "Cluster ConCentrics" in-between in 4 regions. This received a spirited conversation, issues around elections of C*UUYAN Steering Committee and scarcity concerns have put the dialogue to a Task Force. Joseph will send out more information later.
